KINGDOM

Design Origin From Sketch to Product Language

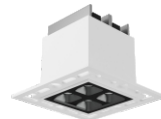

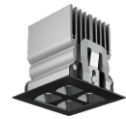

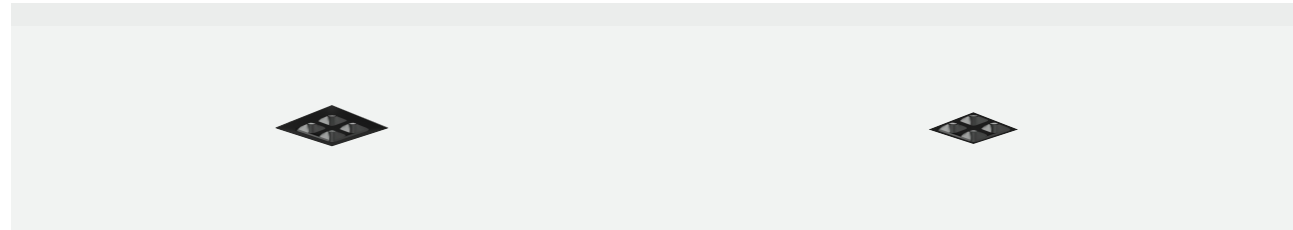

Vertical Fin Design
Derived from sketch lines, it integrates efficient cooling structure with natural textures of leaf veins and bamboo, blending function and aesthetics.

Linear Multi-Cell Light Output
Developed from recessed installation, it features a minimalist modular design for precise zoning and accent lighting.

Kingdom

Fixed Recessed

Body

Mounting Trim Rectangular cast aluminum mounting trim featuring spring-loaded clips for trim installation on ceiling thicknesses of 2–25mm, or optional brackets for trimless installation within the same thickness range.

LED Configurations Available in standard light head configurations with 3, 4, 5, or 9 LEDs.

Finish

Powder coated finish in white (W), black (B).

Optional

Trimless

Driver

Supplied with non-dimmable remote driver. Driver unit exceeds luminaire aperture; install above ceiling using extension cable.
Dimming Options: ON/OFF | 0-10V | DALI | TRIAC | CASAMBI.
220-240V 50/60Hz.

Accessories

N/A

Optic

Reflector.
Beam Angle: 24° / 36°.

LED Sources

Light source options: High-power LED or COB LED.
CRI: 95 or 97 | CCT: 2700K / 3000K / 3500K / 4000K / 2700K–6500K (tunable white).
Additional CRI and CCT options available upon request.

Applications

An innovative solution for high performance, uniform illumination with optimal visual comfort. The miniature light heads and optics create a high definition, glare-controlled, circular light emission.
Application areas: residential, hotels, restaurants, retail, corridors.

ULTIMATE COMFORT

With a UGR below 10, it offers optimal glare protection, enabling a more comfortable and natural visual experience. Its advanced optical technology ensures homogeneous light distribution, eliminating excessive contrasts and unwanted shadows.

Kingdom

Fixed Recessed

Body

Kingdom represents a breakthrough in architectural lighting. Its ultra-compact design enables versatile installation across various ceiling types, including shallow false ceilings where traditional solutions are not suitable.

Offering a range of refined finishes, including premium metallic options, these luminaires serve as both lighting sources and decorative elements, bringing an elegant, distinctive design touch to any space.
